

REMARKS

Claims 1-4 are pending in this application. By this Amendment, the title is amended. Although Applicants' originally filed title was correct, the Patent Office records reflect the title from the Applicants' International Application. The replacement title returns the title to its intended wording. No new matter is added.

Favorable consideration is earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
